

# How to draw your own Superhero

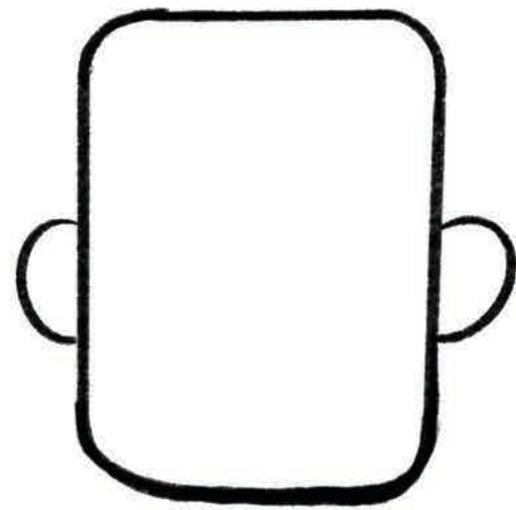

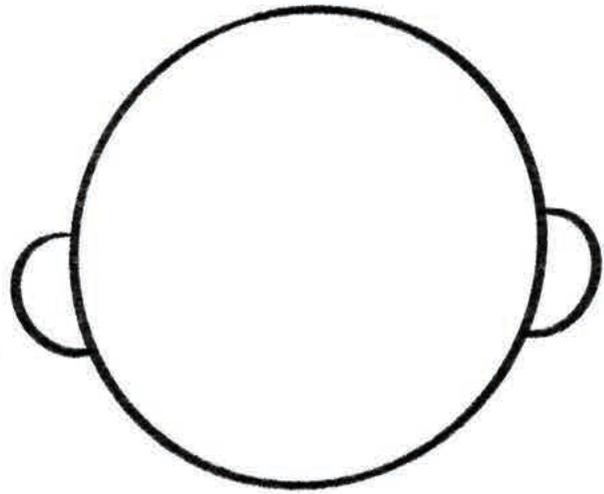

THE GREAT  
EXHIBITION  
ROAD FESTIVAL

With illustrator Anh Cao

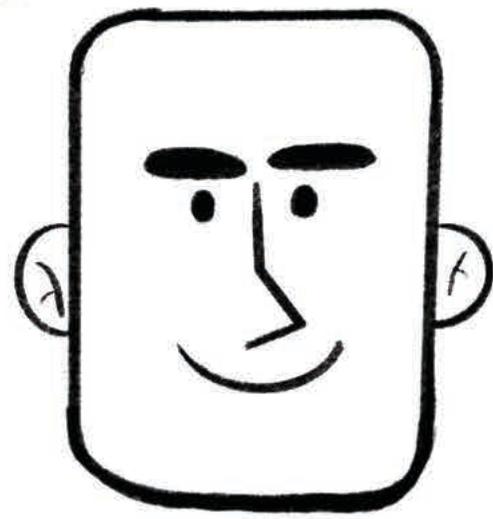

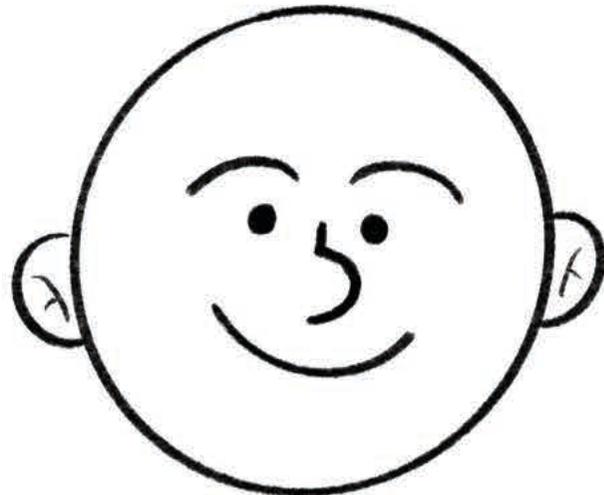

Have this guide with you on screen or printed out when you join the superhero drawing workshop

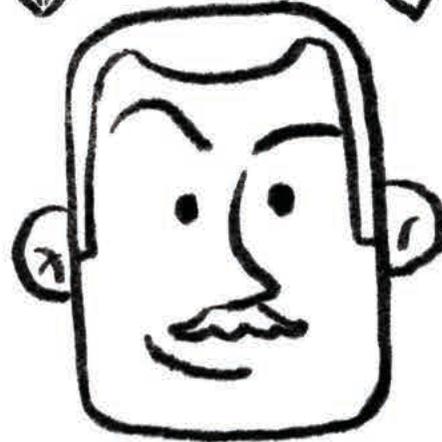

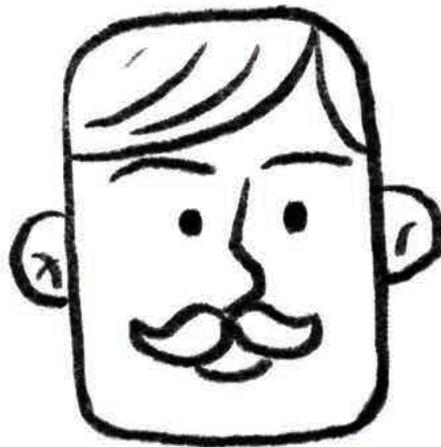

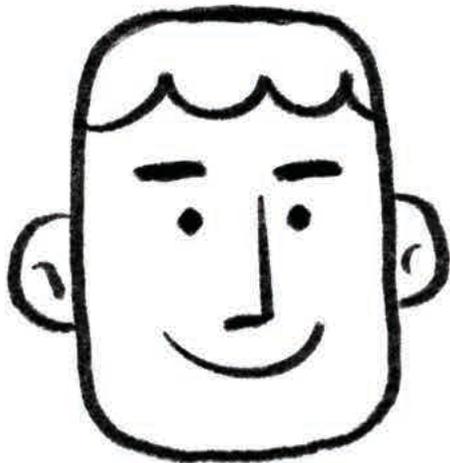

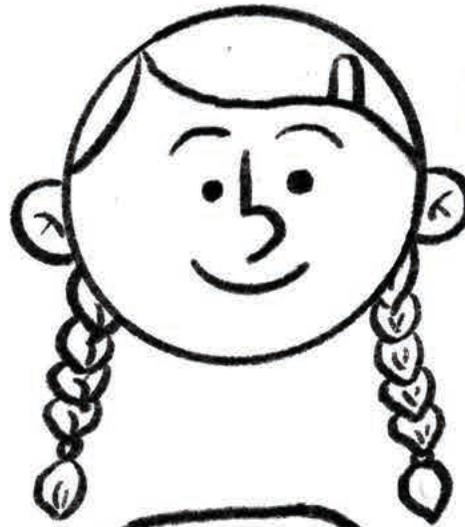

Let's start with the face, I like to start with simple shapes

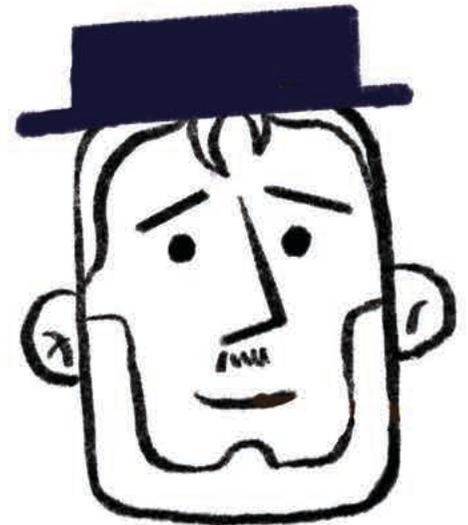

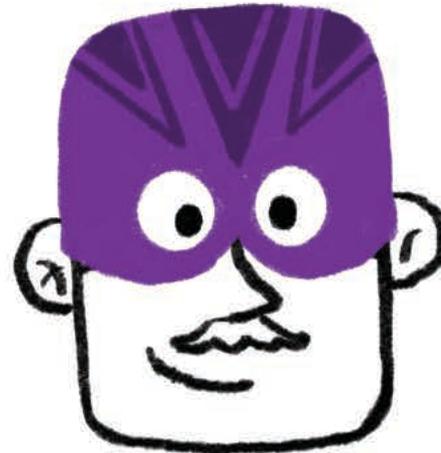

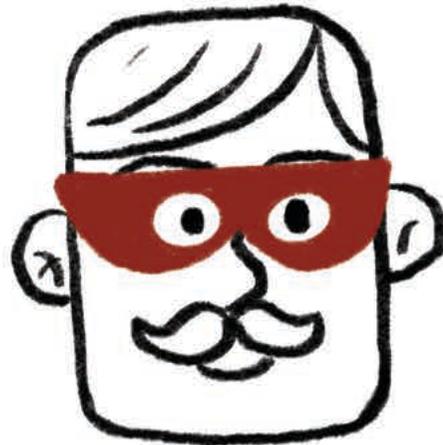

Now give it a nose, eyes, mouth

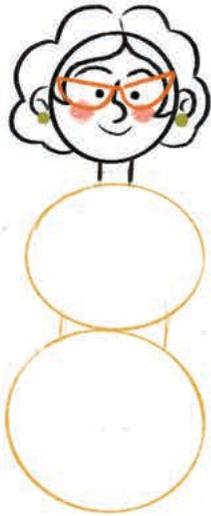

Now give them a cool hairstyle

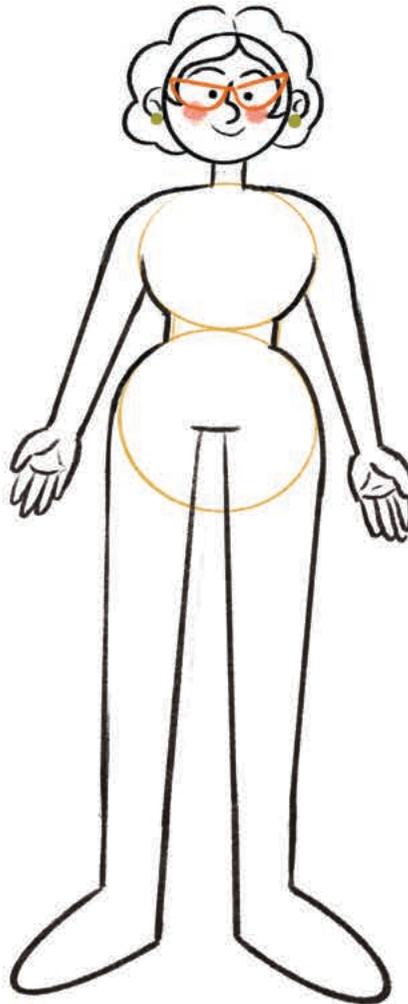

# How about adding some more details

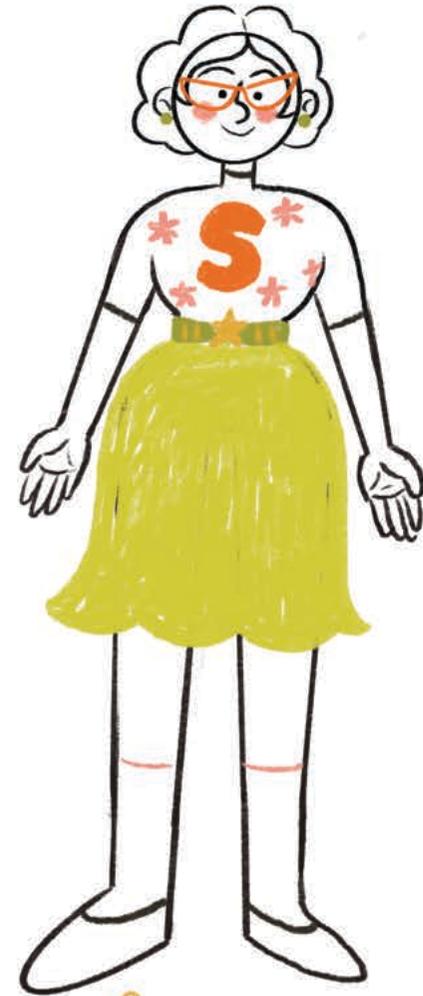

# It's time for the outfit

Lightly draw  
2 circles below  
the head. Like  
building a snowman

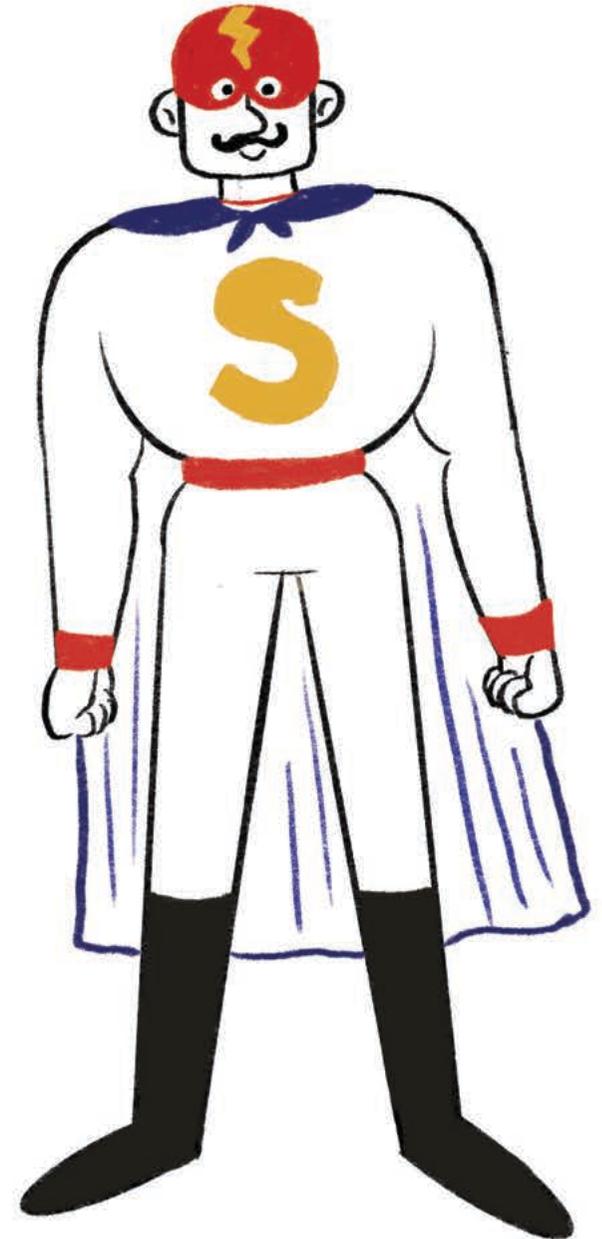

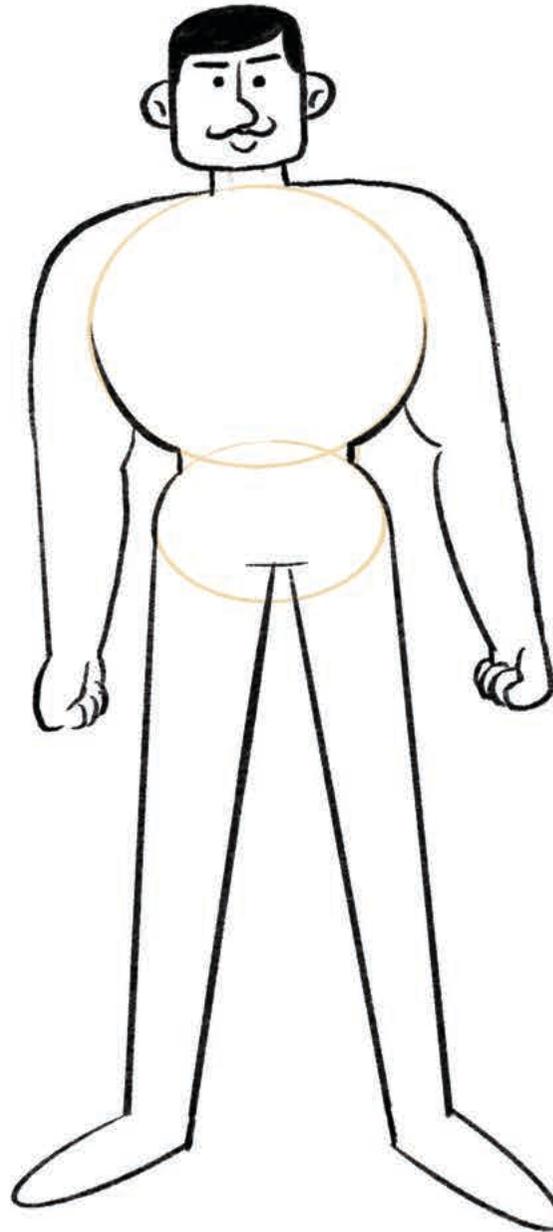

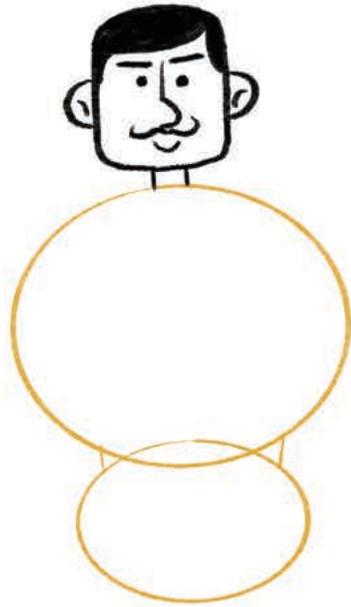

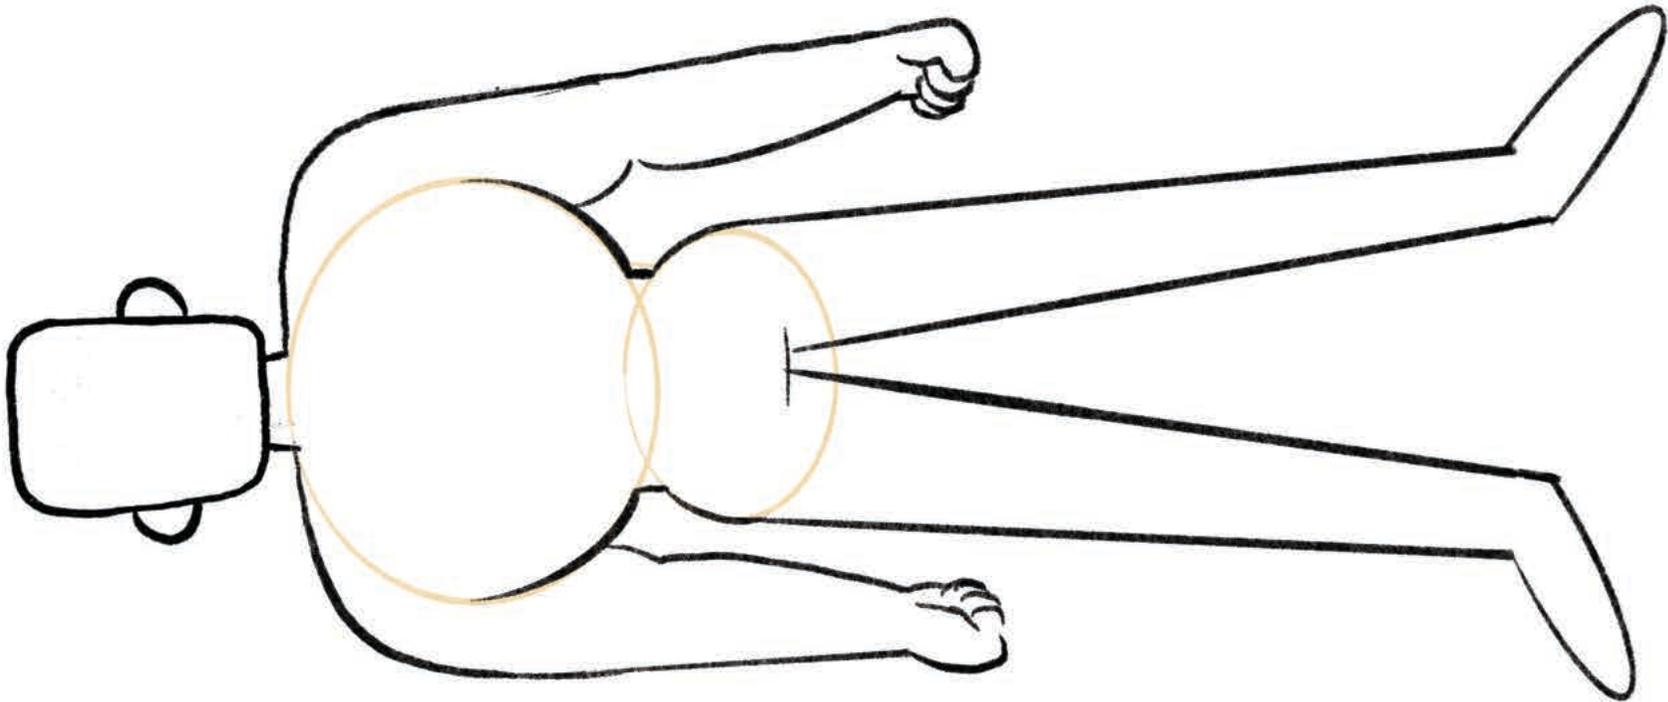

↑ Follow the outline  
of the circles to draw  
the chest and hips

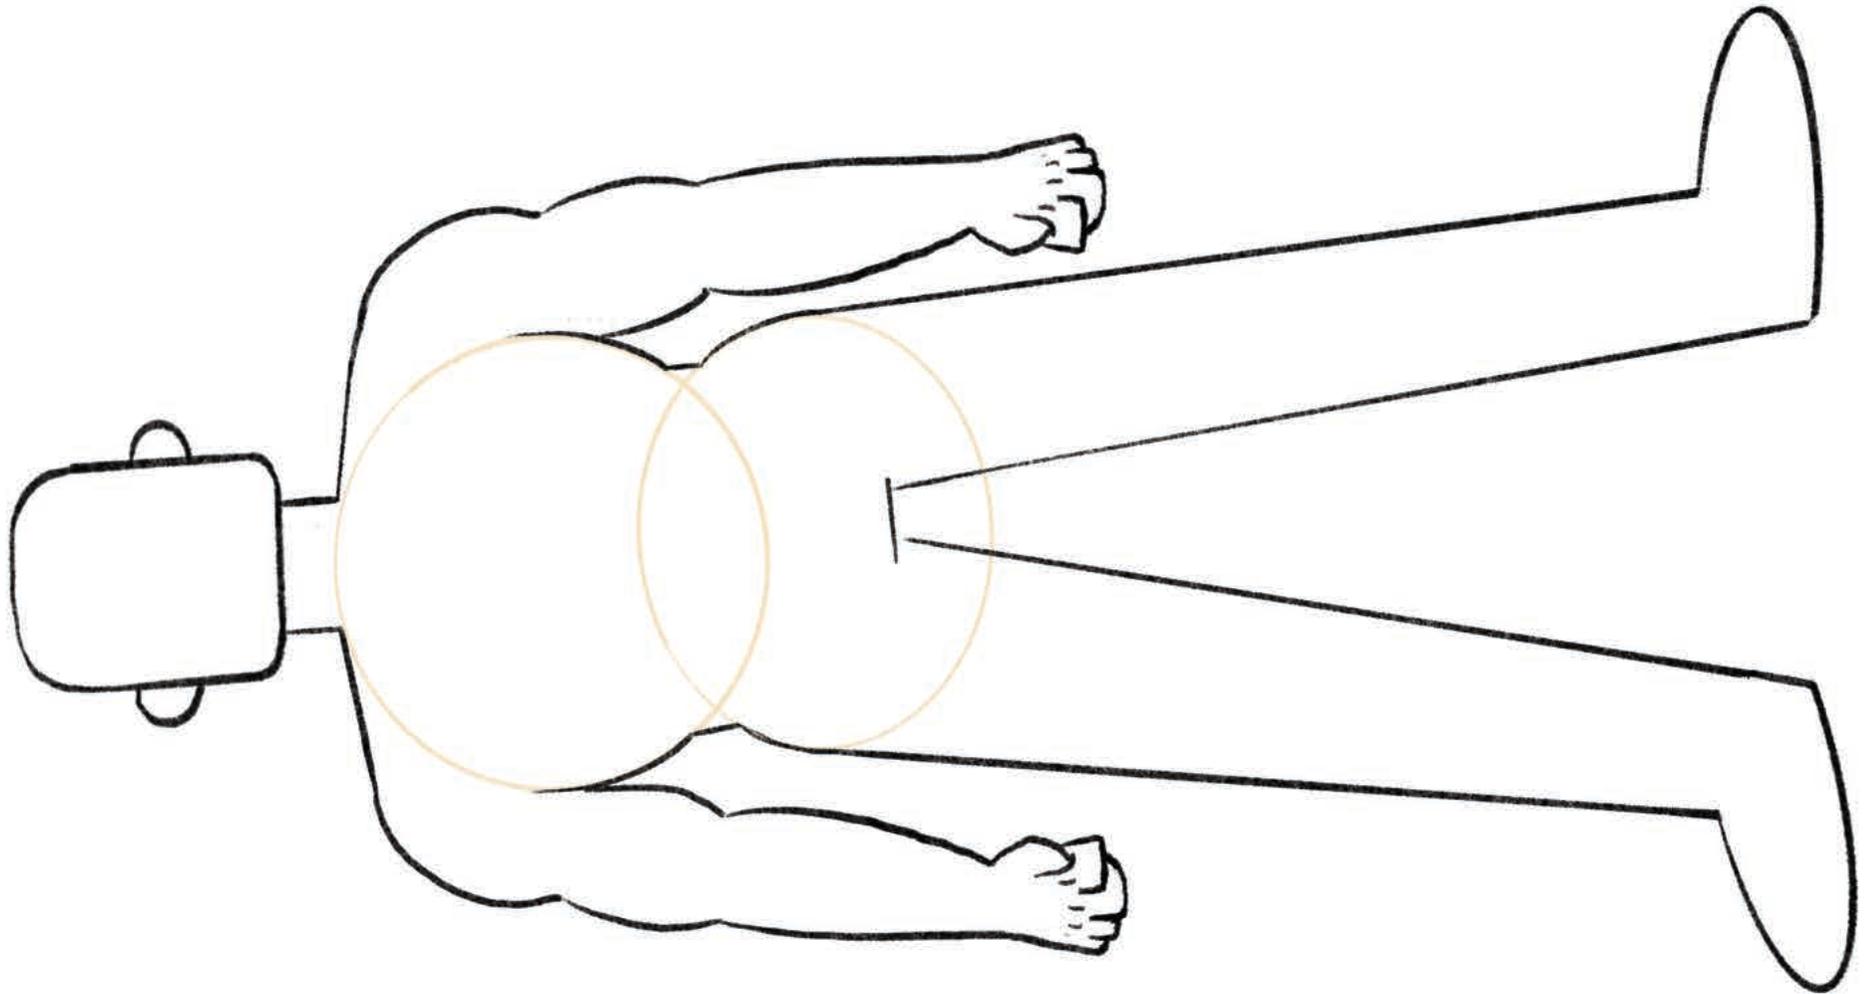

↑ Draw your  
best super hero  
out fit

Here's another example

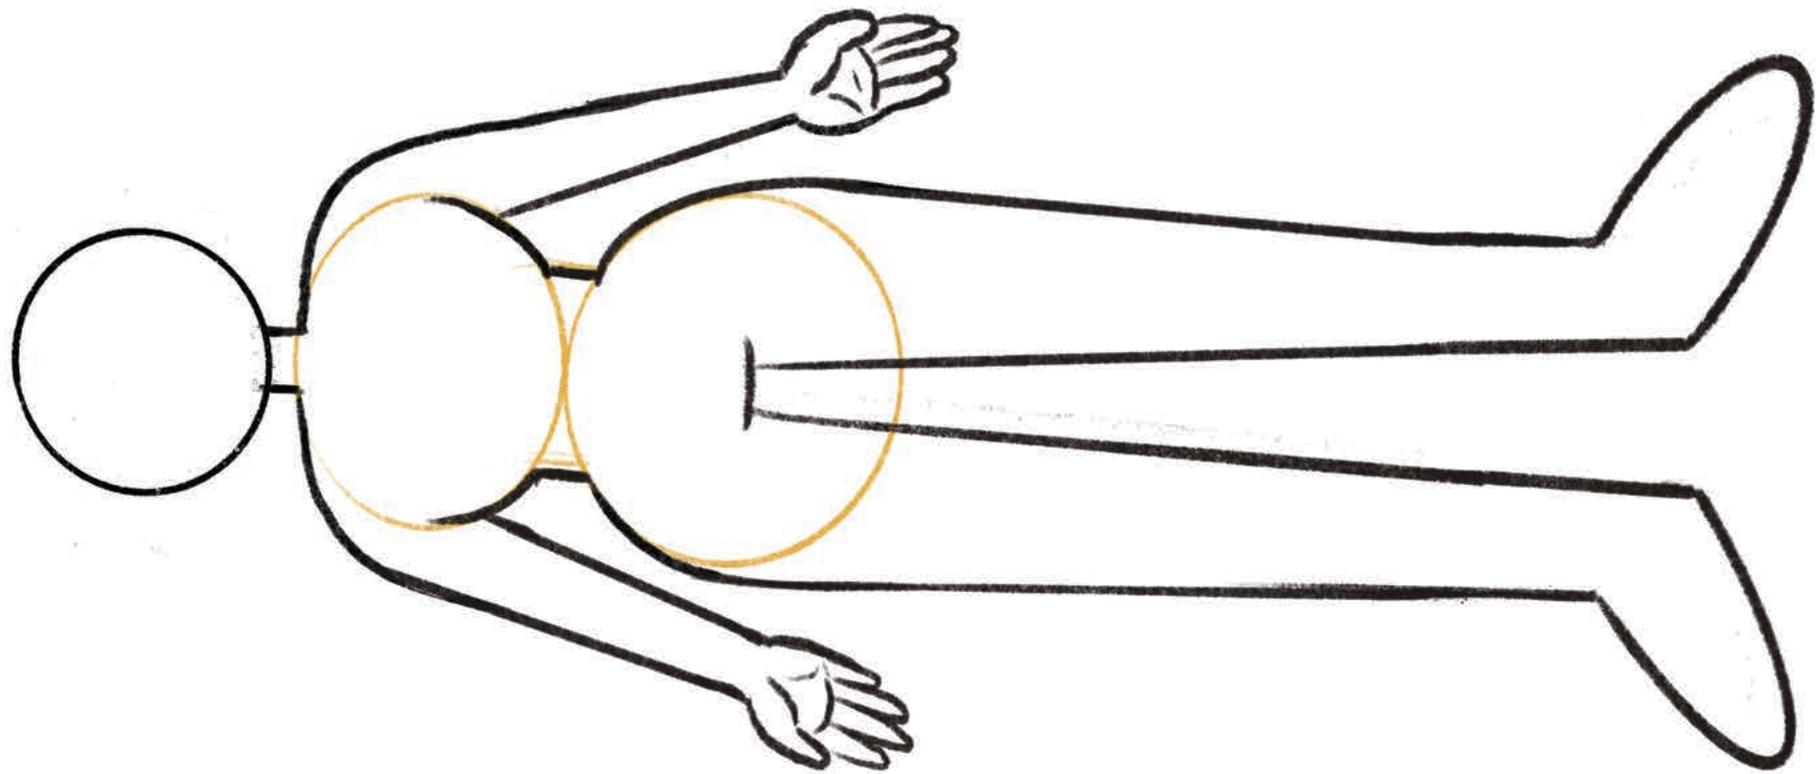

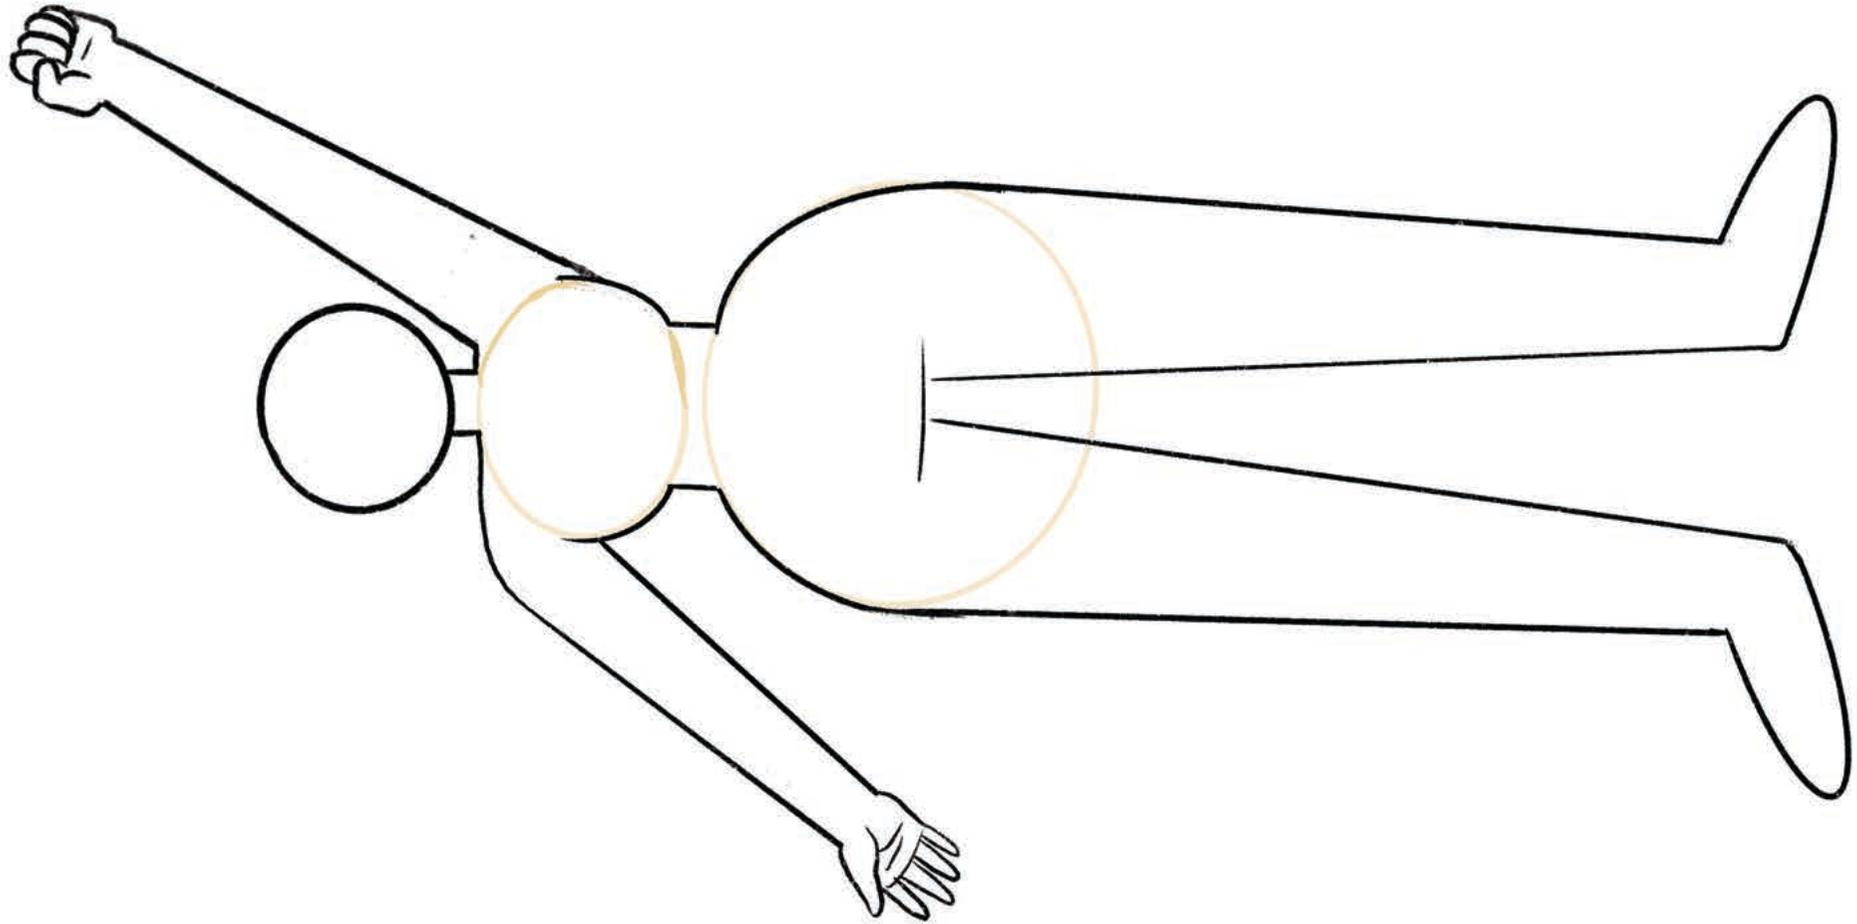

If you like, you can copy or print these templates and draw on top to create your superhero

If you like, you can copy or print these templates and draw on top to create your superhero

If you like, you can copy or print these templates and draw on top to create your superhero

This super-hero drawing workshop is part of a competition. The 10 best drawings will be illustrated and digitalised by the fantastic artist Anh Cao. If you are happy to participate please submit your super-hero drawing alongside a short story about your hospital/healthcare experience to the research team Khanh Ha & Lisa Aufegger (l.aufegger@imperial.ac.uk). The winners will be sent the prize via email, alongside a permission request for the research team to publish the story and picture on e.g. the Imperial College London website or in a booklet.

This workshop is brought to you by the Great Exhibition Road Festival.
